## **Zvrk** za pikolo i klavir

“Zvrk” u srpskom jeziku ima nekoliko značenja. Između ostalog:

1. dečija igračka koja se vrti oko svoje ose (čigra);
2. opisna ljudska osobina.

Muzički tok ove kompozicije i njena forma proizašli su iz ličnog stava da je najmanji orkestarski instrument kakav je pikolo flauta, bez obzira na svoj gabarit, u suštini veoma moćan, virtuozan, pokretljiv, dinamičan... Kao kakav “zvrk”!

Kompozicija je napisana za *Internacionalni pikolo festival 2019*, koji se svake godine održava u mestu Grado, Italija, odnosno za pikolistkinju Snježanu Pavićević koja je na pomenutom festivalu premijerno izvela kompoziciju.

## **Zvrk** for piccolo and piano

The word “Zvrk” in Serbian language carries a multitude of meanings, including:

1. A children’s toy that spins around its axis (a spinning top)
2. An adjective used to describe someone’s character (a playful, cheerful, goofy individual)

The flow of this composition and its form came out of a personal belief that despite its size, the smallest orchestral instrument (such as is the piccolo) is indeed quite powerful, adept, agile, dynamic... Like a “zvrk”!

Piece was composed for the *International piccolo festival 2019*, which held each year in Grado, Italy and also for the piccolo player Snježana Pavićević who made the first performance.
